When all places in the school are filled, no further places will be offered to applicants in other categories.

In the event that it is possible to offer places to some, but not all, applicants in a particular category, the date and time / number of receipt of application will be used to prioritise applications within each category.

### **Category 1**

### **Category 2**

All other children who are living in the catchment area.

While recognising and fully supporting parents' and guardians' rights to have a school of their choice for their children, the school's ability to accept students with particular needs is dependent on the supply of resources, suitable to the needs of the individual student, being supplied by the Department of Education and Skills.

Parents/Guardians are required to contact the school well in advance of the admissions process if they feel their child has special educational needs so that the school can establish the resources required and seek allocation of appropriate resources.
