TULLOW C.S ACTIVITY REPORT

2ND YEAR STUDENTS EXCEL IN IRISH ORIENTEERING

Reporting by: ***Mr O Reilly, Ms Roberts & the Active School Flag Reporting Team***

Picture: 1 Tullow C.S Second Year students who competed in the Irish Orienteering Competition

Today was another first for Tullow Community School as we entered our very first Irish Orienteering competition with our second year students. The P.E department had done a four week block of orienterering around our school and as a result got invited to compete in a schools competition held on the grounds of Rathwood this week. Our students performed brilliantly and done the school proud with the team of Chris Sutherland & Luke Ruddock recording the fastest time and the team of Luke Evans & Cameron Keogh recording the third fastest time of all schools on Orienteering Course B. While on Orienteering Course A the teams of Mia Nolan & Lyn Walsh and Fergal O Toole & Michael Nolan were the second and fourth fastest teams respectavly. We now have 8 students qualify for the leinster final in February around a course at Kilkenny castle. See below for a full list of results from the day and well done again to all students who competed!!
