Reporting by: Brodie Kavanagh Bolger -Active School Flag Reporting Team

On Tuesday the 26th of October our Under 16 girls basketball team played their second game of the season against Coláiste Aindriù Bagenalstown at home in the Tullow Community School sports hall.

The Tullow girls were quick out of the blocks and started the game in positive fashion when Allie McDonagh opened the scoring with a well taken basket in the first 10 seconds of game. Colaiste Aindriù responded well and soon levelled the game with a basket of their own. However the T.C.S girls were dominant for the remainder of the quarter with the girls proceeding to score the next 10 baskets with Allie McDonagh, Mia Cullen, Arta Pilmane and Síne Myers all getting their names on the score sheet and leaving the Tullow side in a strong position heading into the second quarter.

In the second quarter Tullow freshened the line up with new subs being rolled on but the team picked right back up where they left off in the first quarter when a great passage of passes between Mia Cullen and Allie McDonagh seen the later adding to her total with yet another fantastic basket leaving the score 18-1. Colaiste Aindriu weren't giving up without a fight do and Tullow had to rely on some excellent defence by Orlaith Donoghue and Amy Cushe to keep them at bay. Amy Cushe was instrumental in the next Tullow score when she got a great intercept and quickly played the ball to Mia Cullen who found the bottom of the net. The Colaiste Aindriù weren't to leave the quarter empty handed do and scored two well-earned baskets before the whistle leaving the score after the second quarter 24-7

Caoimhe Dempsey opened up the third quarter very strongly for the T.C.S girls with a brilliantly taken score just after tip off. Amy Cuishe was showing her value at both ends of the court and was duly rewarded with an amazing basket from a throw in midway through the quarter. Tullow strength in depth was really starting to show with Katie Keegan and Hannah Hutton having excellent games on the defensive side of the ball and holding Colasite Aindriu at bay. The quarter came to an end with Louise Brown intercepting a stray Bagenalstown pass and scoring a well taken basket.

TCS finished the last Quarter with very good baskets from Allie McDonagh and Caoimhe Dempsey which rounded out a great performance from the team and secured the win. Colaiste Aindriù still fought on valiantly and scored a brilliant basket for a free throw leaving the score at the final whistle score 37-10. Well done to both teams they both played absolutely amazing the future is really bright for TCS!!
