

TULLOW C.S MATCH REPORT

1ST YEAR BOYS GET A WINNING START!!

Reporting by: *Katelyn Rooney & Chloe Darcy - Active School Flag Reporting Team*

On the 2nd of February the under 14 boys' soccer team took on Tyndall Collage in their first match. Kick off time was 10:00am with tip for Tyndall. This was the lads' first match playing together so the start of this match was slow as they were only getting a feel playing together. It was also a wet morning with the ground being slippery which made it harder on the lads. Then 2 minutes into the game there was a free for Tyndall, but the lads were able to take back possession. At the 3-minute mark Tyndall went for a goal but Lorcan Cleary made a great save. Subs put on at 17 minutes Alex Carey came off and Ryan Watchorn went on. Corner for TCS taken by Cody Doyle but unfortunately no goal. Then 20 Minutes into the game the lads started to play better getting more of a feel playing with each other. Then there was a penalty for Eoin Walker, and he got TCS their first goal of the match. The lads really started to pick up the pace with some great passes 26 minutes into the match then just

before half time Ryan Watchorn was able to get TCS their second goal of the game leaving the score at half time 2:0 to TCS.

With the first half of the match finished, Mr O'Reilly gave the team an encouraging talk to hype them up for the second half. The whistle blew for to start the second half and it was tip for Tullow. The second half of the match started off well with great passes and better teamwork than in the first half. With a slow start to the game Tullow managed to keep hold of the ball but just could not get past the defence line of Tyndall. Great work from Owen Walker and Alfie Brennon making their way up the pitch but unfortunately the ball got stolen by the Tyndall players just as the attack was looking menacing. Tyndall made their way behind the Tullow defence where they took a shot, but the ball

was saved by the Tullow goalie, Bradley Stynes. 9 minutes into the second half it was a corner for Tyndall and a dangerous deliver just snook wide. With great defending from Noah Hayes Hennessy and David Sitorz T.C.S were able to keep Tyndall at bay but eventually the pressure paid off and Tyndall managed to sneak by and scored a goal 11 minutes into second half. More Great teamwork between Cody Doyle and Odhran Byrne as they made their way up to try scoring another goal for Tullow but unfortunately it went wide. Good attempt by Cody Doyle. Next came the pivotal moment of the match as Tyndall were awarded a penalty and had a chance to level the game. But again the Tullow keeper Bradley Stynes was up to the task and made a crucial save to keep his side ahead by a single goal. 25 minutes in and Mr o Reilly brought a sub on, Alex Carey for Ryan Watchorn. Both teams did their best to score again in the last five minutes, but it was not to be for either team. At the final whistle Tullow came out on top with a score of 2:1 to Tullow.

Well done to TCS on their first game as a team.... a winning team!
