

TULLOW C.S MATCH REPORT

TULLOW U19'S EDGED OUT IN SOUTH LEINSTER SEMI!!

Reporting by: Erica Nolan & Sinead Kirwan -Active School Flag Reporting Team

On Friday 23rd February, our u19 girls soccer team took on Borris Vocational School in the South Leinster semi-final in Tullow. The girls knew that this would be a tough challenge, but they were determined to tackle it with courage and resilience.

The game started of slow, with Borris having most of the possession. After some back and forth play, Borris finally scored a goal through their no.8. Despite this setback, Tullow still had hope that they would be able to make a comeback.

A few minutes later, Borris were awarded a free kick which was brilliantly saved by our goalie Katelyn Sheppard. Tullow had a scrappy first half, only managing to secure two chances which they couldn't capitalize from.

The first half concluded with just one goal separating the sides in what was a scrappy game overall. Half time score Tullow CS 0-1 Borris VS.

Half time substitutions were made by Tullow in the hope of making a comeback. Katie Kinsella and Holeigh Doran were both introduced for Cairo Lucas and Allie McDonagh.

The second half began with Tullow gaining more control of the ball and creating numerous chances. However, Borris remained resilient, and within the first five minutes they managed to score their first goal of the second half, demonstrating their skill and determination.

Despite Tullow's best efforts, they were unable to turn their luck, as Borris went on to score another four goals. Although Tullow created some opportunities, they were unable to convert them into goals, ultimately leading to their defeat.
